

Train a Winning Team

Do you ever feel like you are on a different page than your team? Or that your team is working against you? Do you ever feel like you weren't trained to be a manager? In this program, Dr. Brown shares the fundamentals to **effectively train team members** to be "Leaders at All Levels". Learn how to invest in your team and maximize their potential. **Hire, Train, Trust, and Praise** are the key principles to "Training a Winning Team".

Dr. Brown's **full spectrum of experience** in dental practices brings a **unique perspective** to the topic. She is a practicing dentist who **has worked in every area of the dental office** as practice administrator, dental assistant, associate dentist, as well as practice owner. You will leave this seminar with the tools needed to energize your team and help them achieve their potential.

COURSE OBJECTIVES:

- ◆ Create Leadership At All Levels
- ◆ Lead Powerful Team Meetings
- ◆ Enhance Intra-Office Communication
- ◆ Maximize Each Team Member's Potential
- ◆ Improve Production

"Dr. Tanya Brown has received great evaluations from dental students every time she has presented the ADA Success Dental Student Programs. We depend on speakers to energize and inform dental students, and Dr. Brown consistently delivers. Dr. Tanya Brown is helpful when preparing events, flexible when plans change, and a great communicator at every stage of the process—it's a genuine pleasure to work with her!"
